About the 2008 Clean and Safe Neighborhood Parks Bond

In 2008, San Francisco voters passed Proposition A, a \$185 million General Obligation Bond known as the 2008 Clean and Safe Neighborhood Parks Bond (Bond). The Bond's vision is to improve and revitalize our City's most in-need parklands, contributing to a cleaner, safer San Francisco.

The majority of bond funding has been allocated to improvements at Neighborhood Parks and Waterfront Parks. The remaining funds have been allocated to programs focused on improvements to the following:

- Park Restrooms \$11.4 million
- Park Playfields \$ 8.5 million

- Park Forestry \$4 million
- Park Trails \$5 million
- Community Opportunity Grants \$5 million

As part of the City and County of San Francisco's 10-year capital plan, Bond projects aim to improve public safety and well-being, employing a transparent process that incorporates public oversight and accountability measures while exercising fiscal restraint and responsibility.

This ordinance assures that deliberations are conducted before the people and that City operations are open to the people's review.
