

January 2011

Dear 4th Graders and Families,

Breakthrough San Francisco at SF Day School is a **free, year-round academic enrichment program** (a six week summer program and an after-school program during the school year) for 5th and 6th graders from public schools in San Francisco. We offer an exciting curriculum and small classes taught by trained high school and college students. Students apply during the spring of their fourth grade year and make a two-year commitment.

We are looking for current 4th grade students from public schools around San Francisco. Breakthrough students are **motivated, hard-working, and are excited to make new friends while learning and having fun.** Breakthrough students ALL aspire to go to college and are willing to push themselves to excel academically. If all of these things describe you, you might be a great Breakthrough student! **The application for this summer is due February 4, 2011.**

If you want to learn a little bit more about what we do at Breakthrough, please visit our website at www.breakthroughsf.org. We will be having an **Open House Wednesday, January 19th from 6pm-7pm.** We are located at the San Francisco Day School (350 Masonic Ave, San Francisco 94118). Please call and to reserve spaces for your family if you would like to attend.

Feel free to contact Jenee at jenee@breakthrough.org or 415-568-3660 with any questions or to RSVP for the Open House.
