How will the homeless situation be addressed. Questions: **Brittany**: can we access the space? **Nate**: What about the homeless situation. It's really bad worked up there for 25 years. Hasn't gotten better **Spencer**: In my opinion, any new developments in neighborhoods with high homeless populations should include some type of support/relief services for the homeless. **Yesenia**: Did you say that 40 units will be set aside for homeless people. When will applications be available? Is this a multi-family development? What *What's the criteria to apply? **Lex**: Hi Yesenia - yes, this will be a 100% affordable housing development and 40 units will be set aside for homeless and formerly homeless people. This is a multi-family building and there will be 42 two-bedrooms and 40 three-bedrooms to accommodate families. The building is set to start construction in Spring 2023 and construction is estimated to finish in mid-2025, provided we can secure financing in the timeline we anticipate. Here is our project's email address if you would like to contact our team directly. info@730Stanyan.org

Submit reimbursement request within 30 days, and save receipt for official receipts for taxis. Yellow cab or fly wheel taxi. I process them, and am pretty lenient but city wont reimburse without receipts or ubers. Use this up to 4 times a year, and \$150, I will put a link for the reimbursement form. Question Brittney: How do you get a cab? Is there an app?
